A TRIBUTE TO MOTHER

How can we say thank you,

To a very special girl —

The one we've owed our very life to;

From the day we entered this world.

She has never been to busy to hear

Our every cry —

Always knowing just what to say

But never asking the reason why.

The lady never asked much of life

And life gave her even less —

But life has been more than fair to us

Because mother was the very best.

Perhaps you sent food or a spray

Or sat quietly in a chair

Perhaps you sent a card or gram

If so, it is here

Perhaps you spoke the kindest words

As any friend could say

Perhaps you were not there at all

Just thought of us today

Whatever you did to console our hearts

We thank you so much whatever your part.
